PROFILE

Applied statistician and educator with an MSc in Applied Statistics from King Fahd University of Petroleum and Minerals and a First Class Honours B.Tech in Statistics (top graduating student, 2018/2019). Six published peer-reviewed papers on generalized probability distributions, with hands-on experience in R, Python, and statistical consulting across academic, health, and education settings. Combines rigorous quantitative research with three years of university-level teaching and lab instruction.

RESEARCH INTERESTS

Statistical Distribution Theory • Generalized Probability Distributions • Survival Analysis • Simulation & Monte Carlo Methods • Biostatistics & Health Data Analysis

EDUCATION

MSc. Applied Statistics 2023 – 2025

King Fahd University of Petroleum and Minerals, Saudi Arabia

Postgraduate Diploma in Education (PGDE) 2021 – 2022

Federal University Kashere, Nigeria

B.Tech Statistics 2014 – 2019

Modibbo Adama University of Technology, Yola, Nigeria

- First Class Honours — GPA: 4.73/5.00
- Best Graduating Student in Statistics Award, 2018/2019
- Undergraduate Nigeria Federal Government Scholarship Award, 2016/2017

WORK EXPERIENCE

Graduate Assistant 2023 – 2025

King Fahd University of Petroleum and Minerals, Dhahran, Saudi Arabia

- Delivered R statistical software lab instruction to undergraduate students
- Proctored undergraduate quizzes and examinations
- Graded coursework and homework, providing consistent feedback to students

Research Analyst 2021 – 2022

Helpman Development Institute, Abuja, Nigeria

- Performed statistical data analysis using R and Python to support scientific research in the Health Department

Mathematics Teacher Jan 2021 – Sep 2021

Deeper Life High School, Jalingo, Taraba State, Nigeria

- Taught Mathematics and Computer Science to students

National Youth Service Corps (NYSC) 2020 – 2021

Federal University Oye-Ekiti, Ekiti State, Nigeria

- Taught R programming to undergraduates in the Mathematics Department
- Provided administrative support to the Computer Science Department

Intern Jul 2018 – Dec 2018

Federal Medical Center, Yola, Adamawa State, Nigeria

- Documented and registered new hospital clients
- Performed monthly and annual data analysis in the Statistics Unit

- Coded and indexed diseases in the in-patient unit
- Retrieved and filed patient records
- Entered in-patient and out-patient records into the clinical database

Volunteer Teacher

2014 – 2019

Government Day Secondary School & Darul Hadiths Nursery and Primary School, Mutum-Daya, Taraba State, Nigeria

- Taught Mathematics and English Language to junior and senior classes

TECHNICAL SKILLS

Statistical Software: R • Python • SPSS • MiniTab

Documentation & Reporting: Quarto • Microsoft Word • Microsoft Excel

Core Competencies: Statistical Modeling • Distribution Theory • Data Analysis • University Teaching & Instruction

ACHIEVEMENTS

- LA PLAGUE META VERSE — Train the Trainer Certificate, 2023
- Jobberman Soft Skills Training Certificate, 2022
- Tutored students in Mathematics and Computer Science
- Delivered the valedictorian speech at convocation, 2019

MEMBERSHIPS

- Education USA (EDUSA)
- Nigeria Statistics Association (NSA)
